1 November 2018, Hong Kong – Hong Kong Dance Alliance (HKDA) announces the **Call for Nominations** for the **21st Hong Kong Dance Awards**. The Hong Kong Dance Awards were established in 1999 to pay tribute to outstanding work by individual artists and dance organizations in new productions throughout the year, as well as acknowledge distinction in other activities related to dance and the Hong Kong dance community.

### Call for Nominations

Nominations in twelve award categories are open for submission by anyone – from dance practitioners to audience members. All Hong Kong dance artists and practitioners, and any persons contributing to Hong Kong dance productions are eligible as nominees. Following the close of nominations, a shortlist, determined by balloting distinguished experts in the dance field, will be announced in early 2019. To further enhance the representativeness and diversity of the Awards, this year’s Expert Panels have been expanded as in previous years. The candidates of the “Emerging Choreographer Award” established last year will be nominated by the Expert Panel and Executive Committee members of the HKDA.
