20 October 2019, Hong Kong – Hong Kong Dance Alliance (HKDA) announces the **Call for Nominations** for the **Hong Kong Dance Awards 2020**. The Hong Kong Dance Awards were established in 1999 to pay tribute to outstanding work by individual artists and dance organizations in new productions throughout the year, as well as acknowledge distinction in other activities related to dance and the Hong Kong dance community.

Call for Nominations

Nominations in thirteen award categories are open for submission by anyone – from dance practitioners to audience members. For the upcoming Hong Kong Dance Awards, an additional award, Outstanding Alternative Space Production will be established. The original award Outstanding Dance Education, Youth Dance, Community Dance, or Environmental Dance will be revised as Outstanding Dance Education or Community Dance. All Hong Kong dance artists and practitioners, and any persons contributing to Hong Kong dance productions are eligible as nominees. Following the close of nominations, a shortlist, determined by a secret ballot of distinguished experts from a wide range of disciplines in the dance field, will be announced in early 2020.

Establishment of Cash Prize for Tom Brown Emerging Choreographer Award

Hong Kong Dance Alliance is pleased to announce the establishment of a cash prize for the Tom Brown Emerging Choreographer Award. Donated by the Tom Brown Memorial Fund, the HKD\$20,000 cash prize is a token to encourage awarded choreographers to continue their work. It will be presented starting from the upcoming Hong Kong Dance Awards Presentation, while the former two Emerging Choreographer awardees have received the prize retrospectively. Many thanks to the Tom Brown Memorial Fund for the continued support to the dance industry.
